

SMARTstart Application Questions

Entrepreneurs with an Idea

Please be detailed and thorough in answering these questions. The selection committee relies solely on the information in your application to understand your business/idea and to determine if you are a good fit for the program.

About Your Business Idea

- Please provide us with a brief summary of your business idea. (250 words max)
- Please explain the product(s) and/or service(s) that will be the primary focus of your business. (500 words max)
- Explain who will be your typical customer and what specific market you will be targeting. (250 words max)
- How would your business market itself, operate and generate revenue? (300 words max)
- Have you completed, or are you currently attending, Airdrie's Discover program to validate your business idea and riskiest assumptions? If yes, please describe your key learning/observations. (100 words max)
- Have you completed any business model testing/validation, demographic analysis, market size research, competitor studies or product/service testing? If yes, please describe your key learnings/observations. (100 words max)
- Have you researched what your start up costs would be? If yes, please list items and costs below. (200 words max)
- How much of your own funds are you prepared to invest in your business? (100 words max)
- What will be your sources of funds to cover start-up costs? Fill in the amount expected from each source (put 0 for any source you won't be using).
- What is your timeline to start your business?
- What are your business and personal goals for the next three to five years? (250 words max)

Strengths & Learning Goals

- Have you owned or operated any other businesses? If yes, please describe.
- How would learning these new business skills help you to start/improve the operations of your business? (250 words max)
- In 100 words tell us why we should select you for the SMARTstart program?

New or Existing Businesses (in operation less than 3 years)

Please be detailed and thorough in answering these questions. The selection committee relies solely on the information in your application to understand your business/idea and to determine if you are a good fit for the program.
